MEMORANDUM FOR: Director of Training

FROM          :                                        STATINTL
                 Deputy Director for Processing

SUBJECT       :   Request for Installation of
                  VM/CMS Terminal (TRN 508)

1.  The Office of Data Processing approves
your request for the installation of one Mag
Card II typewriter in the vault in Room 716 of
the Chamber of Commerce Building.  This request
has been assigned the ODP Terminal Request Num-
ber 508.  Please include this number (TRN 508)
in any further correspondence concerning this
request.

2.  COMMO usually installs the mag card type-
writers 60 days after Security approval.  We are
sending a copy of your request to            for      STATINTL
their action.

3.  Please insure that all necessary supplies,
such as a terminal table and chair, have been or-
dered and are ready for the installation.

4.  Your memo requesting Security's approval
has been forwarded to the appropriate office.
                                                      STATINTL

MEMORANDUM FOR:   Director of Data Processing

FROM:            Harry E. Fitzwater
                 Director of Training

SUBJECT:         Request for Installation of VM/CMS Terminal

1.    The Office of Training requests installation of
one Mag Card II typewriter.  The typewriter terminal should
be connected to the VM/CMS time-sharing system through the
Chamber of Commerce Building Data Access Center's secure
data communications facility.

2.    The typewriter should be installed in the vault in
Room 716 of the Chamber of Commerce Building.  A red "X" on
the attached floor plan shows the preferred location of the
terminal.  Desired installation target date is 1 December
1977 or earlier if possible.

3.    The terminal is required for use of the Information
Science Center, Functional Training Division, Office of
Training, to input and output textual material utilizing
VM/CMS.

Harry E. Fitzwater
